Judith Tripp
Veriditas Women’s Dream Quest Leader
Transpersonal Psychotherapist ~ Musician ~ Pilgrimage Leader
Workshop Presenter ~ Author

Judith believes that walking the labyrinth is an important practice for our time. Through its contemplative path we are returned to the Land of the Soul where we may find balance and peace in our fragmented world. Through the Women’s Dream Quest and other workshops she presents she seeks to remind us of the beauty and inspiration of the sacred feminine and the transformative power of meeting in the circle.

“Judith has taught me more about the power and beauty of circle work than any of the other wise women I have worked with over the years. She is clear, inclusive, and intuitive. Judith teaches us all how to access and use the wisdom of our ancestors and a variety of faith traditions in a way that is both deep and playful.”

Peg Edera, Spiritual Director, Portland, OR

About the Women’s Dream Quest.

“Judith Tripp’s leadership style involves the grace and competence of many years of experience. She casts a spell of all inclusive sacredness, welcoming women of diverse spiritual backgrounds into the motherly fold of the labyrinth. Her lifework as a depth psychotherapist, and her artistry in ritual design, carry the participants through a magical night of spiritual reunion, introspection and community.”

“Meeting Mary” as lovingly presented by Judith Tripp, was more than a formal workshop. It was our opportunity to move from our secular lives into that sacred space that enfolds Mary’s role in western civilization. We felt blessed to share Judith’s obvious devotion.
