Veriditas is an organization dedicated to inspiring personal and planetary change and renewal through the labyrinth experience.

We accomplish our mission by training and supporting labyrinth facilitators around the world, and offering meaningful events that promote further understanding of the labyrinth as a tool for personal and community transformation.

Our Vision is that the labyrinth experience guides us in developing the higher level of human awareness we need to thrive in the 21st century.

We are a 501c3 non profit incorporated in the State of California in 1995 by Lauren Artress. The word “Veriditas” originated with Hildegard of Bingen and means “the greening power of life”.
