

**Veriditas Council Membership Application**  
(Due by December 10, 2018 to [chris.farrow-noble@gmail.com](mailto:chris.farrow-noble@gmail.com))

The **Mission** of the Veriditas Council is to serve the labyrinth and the Facilitator community by strengthening connections and developing resources. The Veriditas Council meets in Circle. Our **Purpose** is to develop and implement practical ways to support the work of Veriditas facilitators, and we work in cooperation and collaboration with the Veriditas Board and the larger labyrinth community. The **Vision** of the Veriditas Council is a strong, community-based, global network of labyrinth Facilitators, supporting the work of Veriditas.

The Council has two yearly meetings: one Veriditas Council Renewal Day for Facilitators in the spring in varying locations, and one in the fall, which Council works to coordinate with the location of TLS Gathering. We have regularly scheduled conference calls. Each member must be able to think creatively, act cooperatively, make a minimum of a three-year commitment, and be financially capable of covering the costs of attending and supporting the work of the Council, including travel, meals, meetings, and lodging.
