

Campus Labyrinths: From Idea to Reality

A Veriditas webinar with Dr Jan Sellers, interviewed by Dr Irene Plunkett for the Labyrinths in Higher Education Initiative, veriditas.org/higher-ed

Webinar references, 8 November 2018

Thank you for taking part in the Veriditas webinar, or for watching later on. This list of resources follows up on a number of strands developed within the webinar. I hope it will prove useful in supporting your interest in labyrinths on campus. You are welcome to re-visit the webinar, which can be found on the Veriditas 'Labyrinths in Higher Education' web page from early 2019.

Note for readers about Jan Sellers and Bernard Moss's 2016 book, Learning with the Labyrinth: Please be aware that the publisher name has changed to Macmillan International Higher Education. The introduction is still available free to download, on the Macmillan IHE website. See below for details.

With warmest wishes for your labyrinth explorations -

Jan Sellers

Working in schools with children and young people up to age 18

Questions about working in schools were raised by several webinar participants. While this was not the focus of the webinar, the following will be helpful starting points.
