

Folding a 24 foot Canvas Labyrinth

Step 1 – Sweep top surface of the canvas with a broom dedicated for use on the labyrinth only

Step 2 – fold one side toward center, sweep

Step 3 – Fold same side toward center again, sweep

Steps 4-5 – Repeat Steps 1-2 folding the other side, sweeping each time

Step 6 – fold the right side one-third over the other, sweep

Step 7 – Fold other side completely over the first, sweep

Step 8 – Begin at far end opposite the entrance...

Step 9 - Fold/roll sweeping as needed all the way to other end

Step 10 – Place duffel bag over the top of the rolled labyrinth

Step 11 – Set duffel bag upright, add other materials and close
