

Veriditas Annual Report 2012

Veriditas is a 501c3 non profit incorporated in the State of California in 1995 by Lauren Artress. The word "Veriditas" originated with Hildegard of Bingen and means "the greening power of life".

Our mission is to connect people to the labyrinth. Walking the labyrinth is a spiritual practice that quiets the mind, opens the heart, and grounds the body. Our vision is that the labyrinth experience nurtures the invisible web of connections between individual destiny and service to others, the global community and the planet.

Veriditas is a unique organization known for offering quality experiences of the labyrinth in workshops, retreats and trainings throughout the United States, Canada, Europe, Australia and beyond .
